### How to use the stakeholder kit

Good Sports has put together some templates and social media tiles to help you share the message about the Good Sports Awards.

It's a great opportunity for Good Sports clubs to celebrate their star volunteers and provide winning clubs with the recognition they deserve, helping attract new members and even more community support.

Leagues and Associations, State Sporting Organisations, National Sporting Organisations, local councils and other stakeholders can use and personalise the resources provided in this kit to help promote the awards.

You'll find social media posts and wording for your newsletter. Download the images to post on social media, or copy and paste the wording onto your website or into your next newsletter.

It's a good idea to start promoting the awards as soon as possible. Nominations close at 11.59pm October 30, but often it can take busy club members a few weeks to organise a nomination and gather their stories and evidence.

Please copy and paste this URL into all your communications, it will link to the Good Sports Awards webpage: [goodsports.com.au/awards](https://goodsports.com.au/awards)
