

Social Media Resources

for the Alcohol and Drug Foundation's services

To help our Good Sports clubs to promote alcohol and other drug services on social media, we have provided links to the main ADF services, and social media resources below.

Please share these social tiles, copy and links on your social channels to assist your sporting communities to find help and support, or to find more information.

Drug Info

DrugInfo was developed by the Alcohol and Drug Foundation as a phone and email service providing information on alcohol and other drugs.

Vaping Resources

Vaping's a hot topic right now. In fact, a lot's being said about vaping and its effects - but there's lots of conflicting and confusing info out there. Help set the story straight by sharing the ADF's social resources.
