

# PRIZE IDEAS FOR YOUR CLUB

## (THAT DON'T INVOLVE ALCOHOL)

Alcohol has often traditionally been used by sporting clubs as a prize for raffles or best player awards, such as a slab of beer or bottle of wine. However, there are lots of healthier alternatives that move the focus away from alcohol.

Check out some of the greats ideas and things to consider below.

### THINGS TO KEEP IN MIND WHEN CHOOSING A PRIZE

- 1 How much money have you got to spend?
- 2 No money to spend? Is there a business that you can reach out to that could donate the prize?
- 3 No luck getting donations? Consider how you can give a prize that is free, maybe you have some club merch or can celebrate a winner by shouting out in your club newsletter or on game day.
- 4 What are your club values? If your club is focusing on getting members home safely consider travel prizes (e.g. Uber vouchers) or if you are focusing on health, consider prizes that will get people active (e.g. sporting equipment).
