

Social media kit – getting home safely from club events.

Planning an event? It's important to make sure that your members and guests have a safe way to get to and from the venue. This social media kit makes it easy for you to share out safe transport messages ahead of time on your channels, like Facebook or Instagram.

How to use this kit

Just copy and paste the relevant content (fill in some club information if required) and click to download the image to share on your social channels.

Don't forget to tag @GoodSports on Facebook and @goodsportsclubs on Instagram on your social posts.

Tile 1:

If you're attending the <insert function name> on <insert date> make sure you have a way to get home safely. Book a taxi, order a rideshare or organise with mates to have a deso driver if you're planning to have a drink.
