

FUNDRAISING TIPS.

Your club will have a fundraiser coming up soon and we all know that fundraising is a team effort.

Healthier fundraising ideas

Let's start thinking about healthier fundraising ideas and move away from the chocolate drives. The chocolate inevitably ends up in our cupboards, at our workplaces and ultimately, on our waistlines (boo!).

Now's the time to let your creative genius shine. We've come up with a few new ideas which include:

- Car wash
- Garage sale
- Custom bottled water
- Movie night
- Head shave
- Auction

Vouchers and fast food sponsors

Sponsors are a vital part of community sporting clubs. Their support is greatly appreciated and their contributions are key to the ongoing success of clubs. We encourage all fast food sponsors to include a healthy option on any vouchers given to juniors so they can be part of the Good Sports healthy eating initiative.

INSPIRING A HEALTHIER SPORTING NATION
